Small Market Exemption:	No

The information required by FCC Rule 73.2080(c)(6) is provided in the charts that follow.

INITIATIVES

The employment unit engaged in the following broad outreach initiatives in accordance with various elements of FCC Rule 73.2080(c)(2):

*Established an **internship** program designed to assist members of the community to acquire skills needed for broadcast employment.*

WWOZ continued its robust volunteer program in the reporting period, giving students and adults from the local community to gain hands-on resume-relevant experience at a community radio station. WWOZ currently has 257 volunteers on its roster.

*Participated in **job banks, internet programs, and other programs** designed to promote outreach generally (i.e., that are not primarily directed to providing notification of specific job vacancies).*

The WWOZ Community Advisory Board (CAB) was active in 2025, exploring better ways to serve the New Orleans community. The CAB is a volunteer group of interested listeners who meet multiple times each year to gather public comments and advise the station as to whether the activities and policies of the station meet the specialized cultural needs of the community and the Louisiana workforce.

In addition, WWOZ uses social media extensively (including Facebook, X, YouTube, and Instagram) for outreach to over 320,200 individuals.

*Established a **mentoring** program for station personnel.*

Our Operations Manager, Director of Music, Chief Engineer, and Director of Content have continued WWOZ's mentoring program for station personnel and members of the community

interested in becoming on-air show hosts or program producers. Interested individuals are provided training opportunities regardless of age, experience, sex, ethnicity, or physical disability. In addition, WWOZ has an ongoing process of helping established volunteer show hosts and producers grow in new directions.

Our four-day Festing In Place broadcast in October involved over 35 volunteer show hosts and staff members in editing and voiceover work, increasing our roster of trained hosts who can fill these roles.

Sponsored at least two events in the community designed to inform and educate the public as to employment opportunities in broadcasting.

Our live remote broadcasts from four local music festivals, including the seven-day New Orleans Jazz & Heritage Festival, involved over 85 volunteers in professional broadcast operation positions, as hosts, producers, assistant producers, editors, and other roles, giving the community exposure to career opportunities in broadcasting through volunteer hosting and training provided by WWOZ.

Provided training to management level personnel on methods of ensuring equal employment opportunity and prevent discrimination.

All WWOZ staff and board members participated and completed an annual harassment training required by Corporate Public Broadcasting agency.
